# W E L C O M E

Welcome to **Untapped Impact 2026** — a national gathering created for those who carry the weight of our communities every day.

Whether you serve survivors, the unhoused, the formerly incarcerated, youth, or families in crisis — this space was built for you. This is where human service professionals, caseworkers, reentry advocates, faith leaders, and grassroots innovators unite to explore what's possible when technology meets mission.

We believe that those working in housing, healing, reentry, recovery, and reinvention deserve more than burnout and outdated systems. You deserve better tools, deeper connection, and bold ideas that can scale your impact.

**This isn't a conference to attend. It's a moment to claim.**

A future where tech works for people.

A sector that finally works for you.

Let's move human services forward — together.

# ABOUT THE EVENT

## Time & Location

Date: April 22-23rd 2026

Time: 9AM-5PM ET

Venue: Westchester County Center

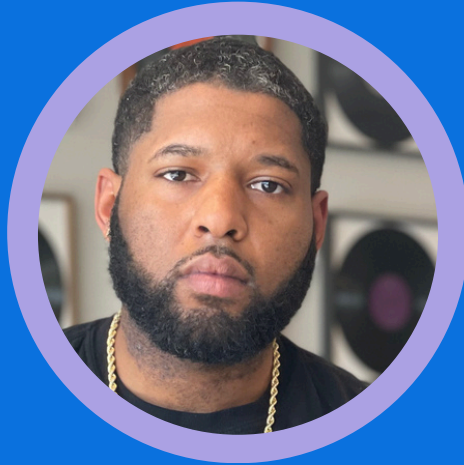

## Event Details

Untapped Impact 2026 is the first national gathering where human service leaders, faith-rooted changemakers, reentry champions, and tech innovators unite to imagine a new future for underserved communities.

This year's theme—Reentry & Reintegration—spotlights returning citizens and the professionals working to restore dignity, purpose, and opportunity through systems change.

Over 1.5 days, you'll experience inspiring keynotes, practical workshops, and modern tools designed to transform service delivery. With no fluff, just real impact, this is where social justice meets innovation, and where every frontline worker leaves equipped to lead change.

# MEET OUR CEO

**Andre Peart**

Founder and CEO

“We’re not just hosting a conference — we’re igniting a movement to modernize human services. This is about power, people, and possibility.”

# EVENT DETAILS

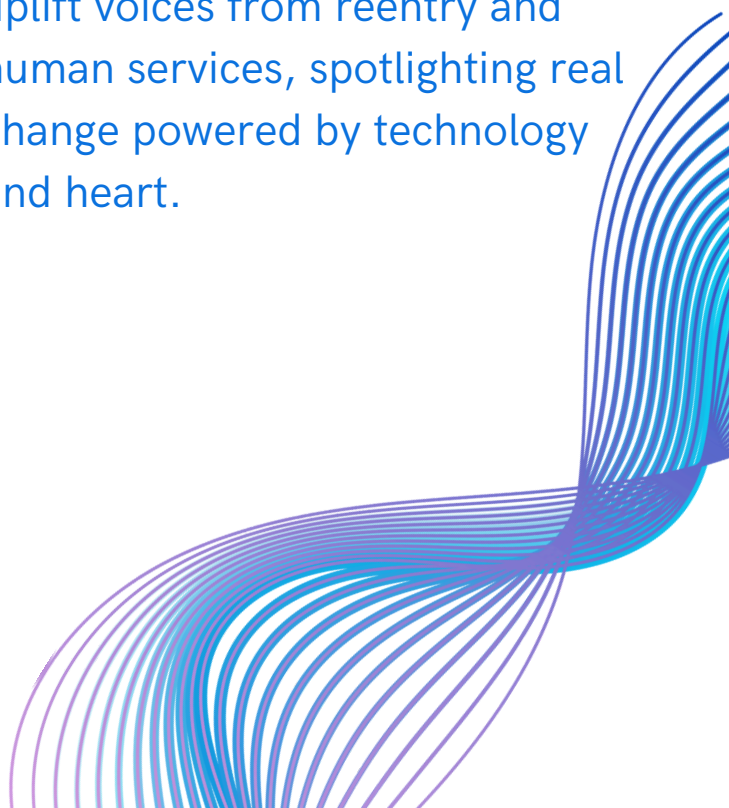

## Activities

Dive into breakout sessions, live AI-in-action demos, and interactive exhibits from tech-forward vendors. Attendees will engage directly with tools and ideas reshaping how we serve and support underserved communities.

## Special Performance

Untapped Impact 2026 will feature powerful performances that blend music, spoken word, and storytelling rooted in lived experience. These moments will uplift voices from reentry and human services, spotlighting real change powered by technology and heart.

# EVENT HIGHLIGHT

## 🔥 Event Highlight: Live Tech, Bold Voices

Get ready for an unforgettable moment as a surprise guest speaker takes the stage to inspire and ignite change. Attendees will also experience exclusive, hands-on demos of AI and tech solutions built specifically for nonprofits and human service organizations—tools you won't find anywhere else.
